

# Screening station

## Notice to parents and caregivers:

- Wear a face mask.
- Keep a distance of at least 1.5 metres away.
- Answer each of the screening questions carefully.

## Screening questions:

- 1 Do you think that your child has a high temperature or fever?
- 2 Does your child have a new cough?
- 3 Has your child shown signs of shortness of breath or difficulty breathing?
- 4 Has your child complained of a sore throat?
- 5 Has your child indicated that they cannot smell or taste things normally?
- 6 Do you or any member of your household have any of these symptoms?
- 7 In the past 14 days, have you or your child had close contact with someone with suspected or confirmed Coronavirus?

Thank you for  
your help! Together we  
will get through this!

# Please queue here

Please do not go  
beyond this point without  
special permission

## Notice to parents and caregivers:

There are special measures in place for **drop-off and pick-up** to help keep us all safe. Please follow these steps:

- Wear a face mask or similar face covering while you queue.
- Keep a distance of at least 1.5 metres (or 2 big strides) from each other. There are marks on the ground to show each place in the queue.
- Only come forward to the screening station when you are asked.
- Answer the screening questions carefully.

Thank you for  
your help! Together we  
will get through this!
